

BASKETBALL TO BE CONTINUED THIS SATURDAY NIGHT

ALL-AMBOY QUINTET WILL START AT AUDO ON SATURDAY NIGHT

An all-Amboy team made up of Mike Hansen, Ray Handerman, David "Bank" Thomas, Freddy Glochau, and Giza Chizmadia, of this city, and "Snappy" John McDonnell, of South Amboy, will perform on the auditorium court this Saturday night against a strong New York club, the team of the firm of Messrs. Lowen and Levin announced this morning.

Basketball was discontinued for a week because of the poor turnout of the moguls are confident that under the new system the crowd of old will be brought back. The fans have been clamoring to see the local boys in action and the squad on Saturday night will be made up of the local men who have been with the club all season, and Glochau of South Amboy, and McDonnell, of South Amboy.

Glochau has long been recognized as one of the most popular athletes

In this section and the boy from the cross-river town also has a large following. McDonnell is most popular with the lassies. There is a possibility that the new squad will be brought together for at least one practice session before Saturday.

Booking Manager Levin will announce before the end of the day the opposition for this Saturday. This game will be started promptly at 8:30 o'clock.

In a preliminary contest, a game for the light senior championship of the city, the Ukrainians will clash with a strong opponent. This encounter will start at 8 o'clock sharp.

There will be the usual dancing in connection with the two games and the admission charge has been changed to fifty cents for girls and thirty-five for ladies. Under the new system the moguls will continue their Saturday night events at the New Brunswick avenue hall for the balance of the season.

Strongest Lineup Will Represent Local Team In Contest Tomorrow

With her regular collection of courtiers in action once again, Miss Elizabeth Kirkpatrick is confident that the losing streak of the Perth Amboy High School sextet will be ended tomorrow afternoon on the State street court. The first game of the Red Bank High School series will be played on this occasion.

This contest was originally carded for the local court on February 20th, but was postponed because of the weather conditions on that day.

Red Bank from the start has been considered one of the strongest teams on the local schedule and even with the regular lineup, Miss Kirkpatrick's warriors will have to show at their best in order to register a win.

Two good players were out of the lineup last week and the locals suffered their first losses of the campaign, the first game at Princeton on Wednesday and the second in an encounter with North Plainfield on

the local court, two days later. Both of these teams had previously suffered a defeat in a meeting with the Crimson and White representatives.

Seven games was the length of the local winning streak prior to last week's setbacks. St. Patrick's, of Elizabeth, Rahway, Princeton, North Plainfield, Asbury Park and the first two mentioned teams, failing in the order named.

On Friday afternoon the locals go to Asbury Park for a return contest with the sextet of that place and next Wednesday afternoon, the return encounter with Red Bank is to be played on the Monmouth court.

The two game series with St. Mary's High School, of South Amboy has not yet been arranged, but Miss Virginia Roy, the local manager is still confident that arrangements can be made.

The locals held a practice session on the State street court yesterday.

LOCAL VOLLEY BALL TEAMS WILL PLAY FRIDAY NIGHT

The two volley ball teams of the local Y. M. C. A. which have been playing a series of practice games during the winter, will meet again Friday night. The full variety squad of seven men will be on hand this week and indications are that some fast games will be played during the hour of 8 till 9. The volley ball men are asked to be at the "Y" at 7:30 so that they can get into uniforms and be ready to play as soon as the regular class is over. Owing to a basketball game at 9 o'clock the volley ball practice time will be limited. Manager Sam Miller has invited

Germanstown to play a return match here at any date convenient for that team. The Germanstown outfit won three straight games from Amboy at Germanstown two weeks ago and a return match is desired. The Philadelphia Southwest colored team, which defeated Amboy in three out of five games on the Philadelphia Central court, was beaten at Brooklyn Central last Saturday night in four out of five games. There is now some talk of having Amboy and Brooklyn Central again play on a neutral court, possibly Bayonne, as the game has not been developed in that city to such a high degree as in Amboy or Brooklyn. This match would serve as an exhibition for basketball enthusiasts and at the same time give the Amboy and Brooklyn teams another chance to clash.

WORKOUT FOR LOCAL OUTFIT

Y. M. H. A. Team Will Have Capital City Five as an Opponent Tomorrow

Physical Director Abraham Lincoln Plant of the local Y. M. H. A. will put the players of the Madison avenue and Jefferson street association through a stiff workout on the gym floor tonight in preparation for their second home game to be played here tomorrow night.

The Trenton Y. M. H. A. quintet will furnish the opposition in this week's tilt, the same team as defeated the locals on the Capital City court a week ago tonight. This was the first encounter of the campaign for the locals, and despite the low ceiling and trick baskets, their play satisfies the new physical director.

Last Wednesday night the heavy and experienced Newark Y. M. H. A. tossers took the measure of the local team on the local pinewood floor. Once again the local boys played well although defeated, as they were stacked up against a taller, heavier and more seasoned outfit.

Director Plant will have his strongest line-up out for the return game with the Capital City tossers and he is confident that the first victory of the season will be registered in the game tomorrow night. Rufe Allen will be the eleventh man on the floor.

There will be the usual preliminary tilt and dancing in connection with the games. The main game will get under way promptly at 9 o'clock and amateur rules will govern the contest.

NEWARK BEARS ATTRACT PLENTY OF ATTENTION

What's new in Newark baseball league circles? This is the question being asked at the present time as a result of the decision of Michael McGighe, supposed to be new owner of the Newark Bears of the International league, to drop Charles "Buck" Herzog, former major league star who was scheduled to manage the Jersey team this summer.

Newark is scheduled to go to Charleston for spring training today. It is not known whether McGighe is planning to quit or employ a new manager. Some say the club is going back to its old interests, the days on Harrison field, and others express the belief that McGighe is going through with his work. McGighe has never been known as a promoter and when his name was first connected with the deal, the name of Corbett McCarthy was also mentioned in the change.

Y. M. C. A. SPORTS

New teams have been chosen in the employed boys class for a basketball league. Tickley, Ryan, Christiansen and Legonia, being the captains. The teams will line up as follows: Tickley, Capt. McCallan, McCafsky, Fonskov, De Angelo, Ryan, Capt. Manton, Timko, Kollar, Bezaror, C. Christiansen, Capt. S. Toton, Cate, Pajor, Legonia, Capt. Melkovitch, Wagner, H. Nelson, Tobias.

How Does It Fit?

This picture doesn't prove a blooming thing except that the camera man wanted a picture of Hugh McQuillan, of the New York Giants, trading headpieces with one of the Florida natives. We ought to build some sort of legend around the incident, telling how the native is a great follower of big league ball players and yearned for the sensation that comes with wearing a star's cap, but we aren't going to do it. We are one of those truthful sort of reporters, anyway.

SMITH-JOHNSON TIE FOR FIRST

Two more matches were rolled last night in the "red division" two-man bowling tournament at the Y. M. C. A. the combination of J. P. Johnson and Hans Smith taking three straight from Nielsen and Parkstrom after which Sampson and Reed won two out of three games from Johnson and Smith.

In the original match Johnson and Smith defeated Parkstrom and Nielsen in straight games by margins of 57, 8 and 43 pins. Johnson's 163 average was high in this match. In the second match Johnson and Smith won the first game by 43 pins but Sampson and Reed annexed the next two with 39 and 3 pins to spare. Smith and Sampson were tie for high average, each making 171.

Tonight two more matches in the "Blue" league will be rolled. At 7:50 the Wibralke-Frank Comings combination meets Jensen and Tulp. At 8:50 the team of Mallet and Benish rolls Fullerton and Ernst.

MAJOR TEAMS GETTING READY

Semi Pro, Minor and Major Teams Are to Be Engaged by Clubs

After weeks of practice during which so-called scrub games have been played, the various major league outfits are about ready to tackle the nines of the different towns and then minor and opposing major league clubs.

A peculiar feature this year about the spring schedule of different clubs is the fact that teams in the same league are booked to play one another. In former years the moguls were afraid to injure their drawing power by participating in contests with teams in the same league, but the fans realize that the best cannot be expected from any team after a few weeks work.

Nearly all of the clubs have their stars lined up, holdouts have been brought to terms, injured men have recovered, etc. The next few weeks work will give the fans some idea of just how the early part of the campaign will be fought. Everyone interested is satisfied that the races in both circuits will be even closer this year than they were last season. One change last week upset the plans of the dopsters, the death of Pat Moran, the great Cincinnati Red leader. With him in charge of the great Red machine the chance of the New York Giants to repeat in the National was endangered. It is hard to expect a new hand to do as well as a seasoned manager.

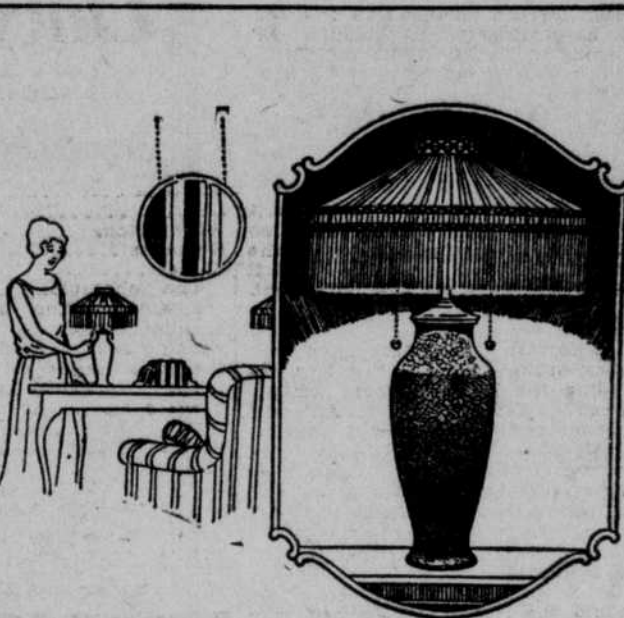

Instructs Rookies

CATALINA ISLAND, Calif.—Manager Bill Killefer of the Chicago Cubs looks to his veteran star-pitcher, Grover Alexander, to round out the crop of rookie pitchers he has collected. Alexander boasts one of the best curve balls in the majors. Here we have him showing Recruit Bobby Osborne, late of Wichita Falls, Tex., how he throws it.

Public Service

Electric Appliances as Reliable as the Service Which Makes Them Possible

Maybe—your neighbor has a Thor Electric Washer

More than three-quarters of a million housekeepers depend upon the Thor on washday. They know the Thor is capable of doing what was once called impossible—to wash clothes clean mechanically.

Reactionary effects from hard rubbing, rinsing and hand wringing are unknown in homes where the Thor is in service.

This electric washer is the last word in washing machine achievement. It will not tear the most delicate of fabrics.

You may have the finest washing machine service for as little as \$95 and on the most liberal terms.

May we demonstrate the Thor in your own home? You will be placed under no obligation to buy. We simply want you to see for yourself.

Levi, Greatest Indian Athlete

John Levi, full-blooded Arapahoe Indian, by competing for Haskell Indian Institute of Lawrence, Kas., in four major sports this season will go far toward proving the verdict delivered by Jim Thorpe last fall, who predicted Levi would be the greatest all-round Indian athlete of all time. Thorpe saw Levi in action in the football game which Haskell lost to Minnesota University, 12 to 13, at

Minneapolis last fall. In that game Levi took the opening kickoff of the second half and ran 85 yards through the entire Gopher team for a touchdown. Levi has had bids to join the Yankees baseball club this spring but has about decided that he will finish his school work at Haskell and take on another year of football before trying out with the major league

team. Big Jawn plays first base for Haskell when the diamond sport is on and he has height and reach that will cover anything within a radius of nine feet of the first sack. The other two sports in which Levi participates are basketball and track. In basketball he holds down center and every box score shows five or six baskets to his credit.
